

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **People of MI v Anthony Lee Arrington**  
Docket No. **283442**  
L.C. No. **96-000415-FC**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.201(B)(3) and 7.216(A)(10), orders:

The motion to waive fees is GRANTED for this case only.

The delayed application for leave to appeal and motion to remand are DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defect in this filing, and appellant failed to cure the defect by timely filing an order that corresponds to the argument that is made in the application. The order provided by appellant denies a second appellate counsel in appellant's jury-based conviction case in L.C. No. 96-001574 FC. However, the delayed application for leave to appeal argues that defendant is entitled to appellate counsel in his plea-based conviction in L.C. No. 95-0415.
